

"El Jefe" Weizen Ale

from Hale's Ales

"**El Jefe**", translated, means "The Boss", or "The Chief". That's the position that this new hefeweizen from Hale's Ales aspires to. El Jefe pushes the wheat beer category to a new level -- ***beyond bland***. The flavor profile is "true Bavarian Style" -- complex and mouth-filling, with the spicy and fruity influences that only genuine hefeweizen yeast can produce. Craft beer lovers are ready to take this next step in their appreciation of the unique beers of the world. This is a beer that combines old world quality and character with new world freshness--the best of both worlds.
