

# HALE'S ALES

## *Seasonal Six Packs*

### IRISH NUT BROWN

This beer is crafted in the tradition of Irish mild ales. Nut brown in color, nicely balanced, this "session" style brew is firmly satisfying, backed up by distinctive malt character.

FEBRUARY & MARCH

### KOLSCH GERMAN STYLE ALE

**HALE'S KOLSCH** is a refreshing, golden ale brewed during the spring and summer months. It is fermented using a traditional Kolsch yeast, then cold lagered. The result is a delicious, crisp, light ale that shares many flavor characteristics of a true pilsner.

APRIL THROUGH AUGUST

### HARVEST ALE

Copper red in color, **HARVEST ALE** is as brisk and fresh as the new hops that it celebrates. Each year this beer features the finest, newly harvested hops, direct from the fields of Central Washington.

SEPTEMBER AND OCTOBER

### WEE HEAVY WINTER ALE

Rich, strong, and mouthfilling, **WEE HEAVY** is a hearty match for the cold weather season. "Wee Heavy" is a Scottish term for a strong ale, and this one lives up to the tradition.
